November 23, 2020

Kenneth C. Baldwin, Esq. Robinson & Cole LLP 280 Trumbull Street Hartford, CT 06103

RE: **DOCKET NO. 494** - Cellco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located south of Chestnut Hill Road at the intersection with Grilley Road and Lyman Road (Parcel No. 101-1-5B), Wolcott, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) requests your responses to the enclosed questions no later than December 1, 2020. To help expedite the Council's review, please file individual responses as soon as they are available. At this time, consistent with the Council's policy to prevent the spread of Coronavirus, please submit an electronic copy only to siting.council@ct.gov. However, please be advised that the Council may later request one or more hard copies for records retention purposes.

Copies of your responses shall be provided to all parties and intervenors listed in the service list, which can be found on the Council's website under the "Pending Matters" link.

Any request for an extension of time to submit responses to interrogatories shall be submitted to the Council in writing pursuant to §16-50j-22a of the Regulations of Connecticut State Agencies.

Sincerely,

s/Melanie Bachman

Melanie Bachman Executive Director

MB/MP

c: Service List dated November 19, 2020

Docket No. 494 Pre-Hearing Questions November 20, 2020 Set Two

- 48. Referencing page 8 of the Application, Cellco Partnership d/b/a Verizon Wireless (Cellco) notes that the proposed facility would provide Route 69 with four miles of coverage for 700 MHz; four miles of coverage for 850 MHz; one mile of coverage for 1900 MHz; and one mile of coverage for 2100 MHz. Please provide the lengths of the existing coverage gaps on Route 69 for each of the four frequency bands.
- 49. Referencing the response to Council interrogatory 4, Cellco notes the proposed facility could be designed with a yield point. What is the cost of installing a yield point?
- 50. Please respond to the three bullet points noted in the November 3, 2020 comments from the Connecticut Department of Transportation.
